

Northwest Regional Builders Exchange Inc.

1508 S. Hastings Way, Eau Claire, WI 54701

Phone: 715-834-2934 E-Mail: info@nwr bx.com

Thank you for your inquiry in regard to membership with the Northwest Regional Builders Exchange. We would like to tell you a little bit about ourselves – Founded in 1954, the NWR Builders Exchange is a not-for-profit, member-owned organization consisting of nearly 300 firms representing all aspects of the construction industry. Our primary objective is to further the interest of the building industry and to inform our members of building projects to the best of our knowledge. Our members include general, mechanical & electrical contractors & suppliers, trade subcontractors, material suppliers, equipment sales & rentals, insurance & bonding agents, office equipment dealers, banks, CPA's and many others.

As a member of the Builders Exchange, you will have access to the following benefits:

- Our weekly bulletin which contains information on construction projects description/location/bid due dates, bidders lists, building permits for the city & county of Eau Claire, and bid tabulations and awards. Advertising is also available for purchase to our members in our weekly bulletin. **January 2011 we transitioned to an all-electronic bulletin. Hard copy bulletins are no longer mailed to our members.**
- Our plan room: Office hours (Monday through Thursday 8-5; Friday 8-4). We have a fax machine, two copy machines and a digital blue print copier available for member's use at a minimal cost.
- Notary public service available.
- Social Events: Throughout the year, you'll be invited to social events that give members a chance to meet and discuss current issues. Presently these events consist of Annual Banquet/Meeting (January), Eau Claire Express Game (June/July), Golf Outing (August), & Casino Night (February).
- Membership Directory: Printed yearly, our directory is broken into four sections: An alphabetical listing of our members, Service Guide (a categorical listing of our members), General Contractors, and Architects/Engineers. As a member you receive a copy of the directory with one listing in the service guide (additional listings are \$10./year).
- Website: In September 1999, we joined the cyber world by going on line with our website. Our website address is www.nwr bx.com. You can find more information about this benefit within this packet. All plans and specs are available on our site at no additional charge to our members.

When you join the Builders Exchange, the above services are all available to you--along with any assistance we may be able to provide from time to time. **Membership costs just \$480 per year along with a \$50 set-up fee.** Your membership will begin immediately upon receipt of your payment; you will also be mailed a membership directory at this time. **The set-up and initiation fee will only apply to members who have let their membership lapse more than 60 days or to new members.** Please fill in the application blank on the front of this page and return with your check.

We hope that this letter answers some of your questions about our Builders Exchange, if I may be of further assistance please let me know.

Northwest Regional Builders Exchange
DAWN BLOOM, Executive Director

Exchange Online Access Form

(no additional charge!)

The Northwest Regional Builders Exchange Web Site has been on line for our members since September 1, 1999. In the past, an additional charge was accessed for the Exchange Online portion of our site. In October of 2000 the NWR Builders Exchange Board of Directors decided to offer Exchange Online to all members at no additional charge - simply another benefit as a member of the NWR Builders Exchange. Recently, we introduced a newly designed with many upgrades.

Our web site address is www.nwr bx.com. Although there will not be a charge for our members to use Exchange Online, you will be required to have a username and password. Any employee of a NWR Builders Exchange member may use this username/password. Our only request is that you do not allow any other company to use this username/password. Please remember that although there is no additional charge for this benefit, it is meant for NWR Builders Exchange members only. If you have questions regarding user name/passwords please contact Dawn @ the Exchange. 715-834-2934.

*Your password should can at least **8 characters**, at least **one lower case letter**, at least **one capital letter**, at least **one number**, and at least **one special character***

Please contact Barb or Dawn if you are having any problems with either choosing or using a password.

This part of our site includes the same features as our bulletin and will be updated daily. If you are interested in using Exchange Online, please fill out the form below & return by mail: NWR Builders Exchange, 1508 S. Hastings Way, Eau Claire, WI 54701 or you may e-mail us at info@nwr bx.com

PLEASE USE THIS FORM FOR WEBSITE ACCESS or go to www.nwr bx.com and click on join now:
